Standing of Teams. (Special to The Herald.)

Logan, Feb. 23.-The Aggies and the Saints played basketball here this evening. Notwithstanding the fact that the Argies put up their best game for this season, they were beaten by a score of 26 to 6. The game was marked by a great amount of rough playing. The first half ended with a score of 15 to 5 in favor of the L. D. S. U. And in the last half the Aggles were unable to get more than one point, which came from a free goal. Tayfor of Sait Lake was the only official of the game and he gave much better satisfaction tonight than he did yesterday. L. D. S. U. Miller Aggies.

JUNIOR LEAGUE FORMED.

Series for City Championship Starts This Week.

This Week.

The Salt Lake junior basketball league became a reality yesterday, when eight of the leading teams in this class in the city met and organized. The meeting was held at the Y. M. C. A. and the teams represented were the Murray, U. Preps, Granite High, Baptists, L. D. S. U. Juniors, Y. M. C. A. Intermediates, Taylorsville and Y. M. C. A. business boys.

The first week's schedule of games was arranged as follows: The U. Preps and Granite High meet Wednesday at the university gym; the Y. M. C. A. Business Boys and L. D. S. U. Juniors on Friday at the Y. M. C. A. intermediates and Baptists and Taylorsville teams play a double header at the Y. M. C. A. next Saturday night.

urday night.

The four winners in this series will then play off elimination games as well as the four losers. The winners of these two series will then meet for the city

Y. M. C. A., 72; Old Stars, 25. Y. M. C. A., 72; Old Stars, 25.

The Old Star aggregation of basketball players and the Y. M. C. A. team gave an exhibition of how the game used to be played and how it is played at the present time at the Y. M. C. A. gymnasium last evening. When it was all over the score stood 72 to 25 in favor of the modern style of basketball. The latter not only had all the advantage of up-to-date basketball playing, but physical condition cut quite a figure.

Among the old players were Bassett and Christy, each a member of the L. D. S. U. five-year champions; Joe Smith, a member of that team for three years; Hugh Rippeto, for several years a member of the old Y. M. C. A. champions; Morgan Adams, center for the B. Y. U. team for three years; O. Lund and Richards, players of former L. D. S. U. teams. The teams last evening lined up as follows:

Rexburg, 19; Idaho Falls, 6.

(Special to The Herald.) Rexburg. Ida., Feb. 22.—The Ricks academy basketball team and the Idaho Falls High school team played a lively game of basketball this afternoon in the gymnasium of the Rexburg Athletic association. Great interest was centered in the game, as it was the first high school context here here. The cymnasium was contest here here. The gymnasium was crowded. The Ricks academy brass band furnished music. The score was 19 to 6 in favor of the Ricks academy.

Kamas, 26; Coalville, 14.

(Special to The Herald.)

Kamas, Utah. Feb. 23.—The Kamas and
Coalville basketball teams met here today and the former team won by a score
of 26 to 14. Jones, Jameson and Lambert
played the star game for the Kamas
team and Walker did the best work for
Coalville.

BUSY WEEK AT HIGH SCHOOL

Baseball and Track Men Showing Benefit of Early Spring

Great progress has been made by the High school baseball squad during the first four days of the past week. The entire squad worked hard and the probable result is that a championship team will be developed. Coach Callahan was unable to be on hand, but several members of to be on hand, but several members of teams of former years handled the work. The battery, which was thought to be weak, has developed well and both Hammond and Daft have shown speed and curves. Stevens, who is the only candidate for backstop, is showing up well. In the fight for first, between Coates and Tomlinson, the former seems to be getting slightly the better of the argument. Daly and Coombs, candidates for second, are playing in about the same form, and a tough struggle is therefore expected. Captain Billings is playing his usual good game at third, as is Sheets at short. So far the fielders are playing good ball, but so many are out that the faster men cannot yet be chosen. not yet be chosen.

The track team also was out, but not in

such great force. Those men out so far have done good work, especially in the sprints and jumps.

CORBETT AS TRAINER.

James J. Says Mike Schreck is Best Man in Business.

"Mike Schreck is the greatest fighter in the business," says James J. Corbett, former world's champion. Continuing he says: "At the close of my theatrical season I will assume the management of the popular Cincinnati pugilist, and also take charge of conditioning him for battles with Hart. O'Brien and Burns. After baving disposed of this trio we will be in a position where we can seek a match with Jeffries."

Corbett is enthusiastic over Schreck's chance. He asserts that Mike is the peer of all contenders for championship honors. Corbett said he had figured on bringing Hart and Schreck together in Kalamazoo for a limited-round bout if unable

CLUB OUT OF BLUE ROCKS. There will not be any shoot at the local traps today, according to President J. J. Hofeling as the club is out of blue rocks. BE TRIED OUT

and Hopes to Develop Some Better Material.

The track men at the university are doing outdoor work about three weeks earlier than they have any other season. For this reason Coach Maddock has decided to spend a week in experimenting with the men. This will begin with the practice work Monday afternoon. This new kind of work consists of trying men out for positions that are entirely new to them, such as sending the jumpers to long distance running, and the sprinters

Maddock says that this week will be a great thing for the track team, as he knows some of the men are entered for the wrong events and there are others who have not tried out for certain events which he believes they would be successful in. The coach also maintains that the reason for the lack of all around athletes is the fact that the men will start at one thing and stick to it so close that they do not try any other department of

There are a number of changes that will be made next week. Roberts will be transferred from the 440 to the 100 and 220-yard dashes; Judd, a long distance man, will work out on the hurdles; Russell, the crack pole vaulter, will devote his time to jumping. Bennion will also be given a chance at the jumps. Captain Pitt, who has starred for a number of years at the half mile, will be transferred to pole vaulting. Spitko and Nielson, the crack hurdlers, will practice sprinting. The coach will try his luck at making a long distance man out of Adams, who holds the state record for the pole vault. Whitney, the young sprinter, is also selected as a long distance man. Moore, last year's track captain, will be put on the four-forty squad. Maddock says that crack pole vaulter, will devote his time to year's track captain, will be put on the four-forty squad. Maddock says that this is Moore's race and that he has the proper stride for this distance. He has been after Moore to run in this event ever since he came to the university, and will not let him run the sprints this year until he is convinced that he is no good on the 100 dock.

MILNE'E MIDGETS, THE L. D. S. U. BASKETBALL TEAM.

This is the aggregation of youngsters who cut quite a figure in the basketball playing in Utah. They are by far the smallest team in the state, but have for three years made a creditable showing against the strongest aggregations that are brought against them. The team won second place in last year's state league and stands in third place in the games played so far this year. The players are left to right, Miller, Wooley, Horsfall, Metcalf, Taylor, Hammond, Coach Milne.

PEDIGREE NOT NECESSARY.

Any Old Dog Can Be Entered in the Show.

Secretary W. W. Waddell of the Utah Kennel club says there seems to be a mistaken idea among the dog owners that it is necessary for a dog to have a pedigree to be eligible to entry in the coming dog show. Waddell says this is not at all recessary and any canine can be entered. It is, however, necessary for the dog to be either registered or listed and this can be done at the secretary's office in the Templeton block.

HERALD DOPE BOOK FOR 1907.

The second annual edition of The Herald Dope Book is now out and can be had at The Herald office. This year's book contains in all forty-eight pages full of valuable information to every person interested in any branch of sport. In addition to basketball, bicycle, football, golf, tennis, shooting, turf, track and field records published a year ago, this year's book has added the baseball, pugilistic and swimming records. The Agricultural College and Ogden High School football records, the Decoration Day road race records and the indoor track and field records also have been added, making a complete record of every branch of sport in the state. Every record has been brought up to date. All the track records and cycling records, as well as other. records broken during the season of 1906, have replaced the former marks. Another feature of the Dope Book is the world's sporting chronology of 1906. This gives the date and outcome of every prominent fight in the world during the year, the winner of every important event on the turf, and the champions of every branch of sport in the world for 1906. The Herald's sporting annual is the only book of its kind published, and all records are official. Copies of the book will be mailed to any address for ten cents, or can be secured at the business office of The Herald for that amount.

YESTERDAY'S TURF RESULTS.

At Oakland.

At Oakland.

San Francisco. Feb. 23.—There was an excellent attendance at Emeryville today and the weather was good. Tom William's brown colt, Creation, proved his quality by easily winning the opening event. AMONG THE AUTOMOBILISTS

While a number of new machines have arrived in the city this spring, little or no touring is being done on account of the poor condition of the country roads. South Temple street with its new pavement is the favorite place for trying out the new autos and a string of cars can be seen on this street any fine day.

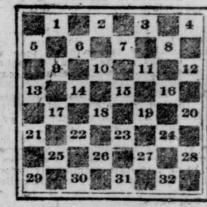

Last spring it was estimated that there were about ninety cars in the city. This spring a conservative estimate places the number at 225. With the cars now ordered and the prospective buyers on hand, it would not be surprising if the number were increased to 500 by fall.

A. S. Horn has received his new 1907 Reo. It is the first model of this make to be received in the city this year, and is already attracting attention among the motorists. J. F. Woodbridge placed an order for a Stoddard-Dayton this week. It is to be delivered within thirty days,

New York Life Makes Big Showir Many things have conspired during sood work of the life insurance companies, but their annual reports not due are sure to bring it out. Here the New York Life, as usual one of the first to make public its operations the year, and reporting the large business of any company. As its no business in 1905 was nearly double who it will be allowed to write hereals the company devoted much attention during the past year to reducing agency force, Notwithstanding this new, business was \$167,000,000, 18 000,000 more than the maximum assallowed under the Armstrong hereafter. Its income was over huncred million dollars, its payment to policy-holders over forty-five milions, and its increase in assets page thirty-nine millions. The total business of the year was done at a largely creased ratio of expenses. The divides to policy-holders declared for 1991 by
